Swiffers bezorgt Count It hoofdpijn !

Swiffers gives Count It a headache !

De voorlopig laatste week van de competitie leverde een aantal totaal onverwachte resultaten op. Zo kreeg leider Count It de volle lading van Swiffers en moet de leiding afstaan aan The Splits 2, dat op zijn beurt verrassend verloor van Bowling Queen's. Sharp Shooters werd al even verrassend gevloerd door Bowling Buddies 1. Spare Me tenslotte won van Badmash Bowlers. In de stand komt The Splits 2, ondanks de nederlaag, aan de leiding. Count It zakt naar de tweede plaats, net voor Sharp Shooters, dat duidelijk de druk van Swiffers en Bowling Buddies 1 begint te voelen.

The temporary last week of the competition brought us a number of totally unexpected results. Leader Count It received a full load from Swiffers and must cede the leading position to The Splits 2, that on his turn lost surprisingly to Bowling Queen's. Sharp Shooters was equally surprisingly beaten by Bowling Buddies 1. Last but not least, Spare Me defeated Badmash Bowlers. In the ranking The Splits 2 takes, despite the defeat, the leading position. Count It is now in second place, just before Sharp Shooters, that feels clearly the pressure of Swiffers and Bowling Buddies.

THE SPLITS 2 heeft tegenstander **BOWLING QUEEN'S**, de hekkensluiter in de competitie, duidelijk onderschat. Het duurde tot de laatste game alvorens Vic Taeymans (721) en Jorge Roca (801) eindelijk onder stoom kwamen en die laatste game zou meteen ook goed zijn voor 4 punten. Net daarvoor hadden Ronak Mehta en Shriya Shah, die later vervangen werd door Ameer Patel, opportunistisch alle games gewonnen. In de stand neemt The Splits 2, ondanks deze nederlaag de leiding over van Count It. Bowling Queen's blijft laatst maar ziet Spare Me niet weglopen.

***THE SPLITS 2** did clearly underestimate **BOWLING QUEEN'S**, the last team in the rankings. It took till the last game before Vic Taeymans (721) and Jorge Roca (801) found the right solution and this game was also good for 4 points. Just before, Ronak Mehta and Shriya Shah, who was later on replaced by Ameer Patel, opportunisticly won all games. In the ranking The Splits 2, despite the defeat, takes over the first place from Count It. Bowling Queen's stays in the last position but managed to keep the distance with Spare me unchanged.*

Also **SHARP SHOOTERS** has underestimated opponent **BOWLING BUDDIES 1**. After the first game, easily won by Arnav Zaveri (723) and Rahil Mehta (759), the engine of Bipin Saspara (833) and Mihir Patel (749) started to run smoothly and brought us of a totally unexpected result. Sharp Shooters stood perplex and could not react anymore against the fluid bowlinggame of Bowling Buddies. Sharp Shooters leaves an excellent opportunity to take the lead unused. Bowling Buddies 1 loses the fourth place to Swiffers and this despite the victory.

In team **SPARE ME** Shehul Zaveri (723) and Shaishav Shah (737) produced a good starting game but very quickly they had to admit that the match against **BADMASH BOWLERS** would not be so easy as expected. Chiren Shah and Kamlesh Agrawal fought back and were rewarded for their efforts with a win and the next two games. The last word was however for Spare Me and their last game was so good that the victory became also a fact. It was important for Spare Me to stay in front of Bowling Queen's, that won with the same figures. Badmash Bowlers stays in sixth place.

SWIFFERS zorgde voor de grootste verrassing van de speeldag door leider **COUNT IT** een flink pak voor de broek te geven. Bij de leider probeerden Samarth Shah en Smit Kakadia (423 uit 2), die een wat te zwakke Nihar Morakhia kwam vervangen, het tij nog te keren maar net op dat ogenblik wisten ook Walter De Roover (712) en een uitstekende Karl Vermeulen (853) een hogere versnelling te vinden. Swiffers zorgde ervoor dat Count It niet langer aan de leiding staat en komt na deze schitterende prestatie op een zucht van de top drie. Dit wordt interessant !

***SWIFFERS** brought us the biggest surprise of the matchday by sending home leader **COUNT IT** with a serious headache. In the team of the leader Samarth Shah and Smit Kakadia (423 out of 2), who replaced a little bit to weak playing Nihar Morakhia, tried to turn the tide but just in that moment Walter De Roover (712) and an excellent Karl Vermeulen (853) found the way to a higher acceleration. Swiffers ensured that Count It is not longer in the leading position and is now self in fourth position and very close to the top three. This will become very interesting !*
